Terms of Use: Mead

Dataset Before downloading and using the Mead dataset, please agree to the following terms of use. You, your employer, and your affiliations are referred to as "User". The authors and their affiliations, SenseTime, are referred to as "Producer".

(1) The Mead dataset is used for non-commercial/non-profit research purposes only.

(2) All the source videos in Mead dataset collected by the Producer are bounded by a formal agreement with all the actors. All the videos in Mead dataset can be used for academic purposes. However, the Producer is NOT responsible for any further use in a defamatory, pornographic, or any other unlawful manner, or violation of any applicable regulations or laws.

(3) The User takes full responsibility for any consequence caused by his/her use of Mead dataset in any form and shall defend and indemnify the Producer against all claims arising from such uses.

(4) The User should NOT distribute, copy, reproduce, disclose, assign, sublicense, embed, host, transfer, sell, trade, or resell any portion of the Mead dataset to any third party for any purpose.

(5) The User can provide his/her research associates and colleagues with access to Mead dataset (the download link or the dataset itself) provided that he/she agrees to be bound by these terms of use and guarantees that his/her research associates and colleagues agree to be bound by these terms of use.

(6) The User should NOT remove or alter any copyright, trademark, or other proprietary notices appearing on or in copies of the Mead dataset.

(7) This agreement is effective for any potential User of the Mead dataset upon the date that the User first accesses the Mead dataset in any form.

(8) The Producer reserves the right to terminate the User's access to the Mead dataset at any time.

(9) For using Mead dataset, please cite the following paper:
@inproceedings{wang2020mead,
    title={Mead: A large-scale audio-visual dataset for emotional talking-face generation},
  author={Wang, Kaisiyuan and Wu, Qianyi and Song, Linsen and Yang, Zhuoqian and Wu, Wayne and Qian, Chen and He, Ran and Qiao, Yu and Loy, Chen Change},
  booktitle={European Conference on Computer Vision},
  pages={700--717},
  year={2020},
  organization={Springer}
}

The download link will be sent to you once your request is approved. If you have any questions, please contact us by sending an email to kaisiyuan.wang@sydney.edu.au or wuwenyan@sensetime.com.
